

THINGS TO DO WHEN THERE'S "NO HOMEWORK"

Update your student organizer.

Review and organize notes. Make a "web" of your notes.

Highlight your notes for review.

Organize notebooks in the order the teacher has requested and discard unnecessary papers.

Read sections in your textbook that relate to your notes or to class discussion. Create vocabulary lists and/or make flash cards. Take textbook notes.

Rewrite notes for neatness.

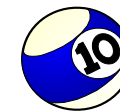

Read, reread or review novels that are being used in class.

Proofread, correct and rewrite essays or reports. Use a word processor to improve the quality of your written work.

Work on long-term projects.

Read a book or a magazine!!!!!!!!!!!!
