

Dear Students,

Summer is a great time to enjoy a book! This summer, all students entering 7th grade will be expected to read a book of their choice. There are only two requirements for this book:

- It cannot be a book previously read.
- It must be an appropriate level of difficulty for you.

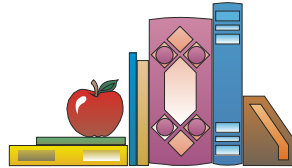

Challenge yourself! When school resumes in September, you will be asked to write about your book.

As you read, you must complete the summer reading packet. Bring it with you on the first day of school to help you complete a writing assignment.

Finding a Book that is Right for YOU!

Use the **FIVE** Finger Rule to help you select a book.

1. Find a book!
2. Thumb through the book and pick a page, any page.
3. Read one complete page.
4. Every time you come to a word that you don't know, count it on a finger.
5. If five or more fingers are up by the end of the page, this book is too difficult

Parent Tips to Encourage Reading

1. Set a schedule for reading. Make it the same time every day. One good time is to read right before bed.
2. Read alongside your child - be a model.
3. Talk about your child's book. Don't give a test; rather let your child tell you the storyline, talk about the characters or time and place. Ask what your child likes or dislikes about the book.
4. You may even want to read aloud to your child. Even older children sometimes enjoy this.
5. Celebrate reading with rewards.

There are many books from which to choose! The possibilities are as varied as all of you. What kinds of books do you like to read? What would be fun to curl up with over the summer? For a list of books that are perfect for readers your age at a variety of reading levels and interests, check our website:
